

Book Fair Volunteers Needed!

Dear parents and grandparents,

Our Book Fair will open to students on _____ and will be open from _____ to _____.

We need help in advance of the fair to set up posters, decorate for the fair, print notices, and bundle and distribute flyers. During the fair we need volunteers to help students chose books, assist in processing purchases and to help keep the fair organized. Can you help us?

In addition to providing books for our students to own, we hope to use the funds we raise from this fair to _____.

If you can volunteer, please complete the form below and return it with your student.

Thanks for your support,

Book Fair Coordinator
